

Kavitha TS

SUMMARY

MSc Computer Science graduate skilled in Python, Flask, React.js, JavaScript, REST API development, and SQL/SQLite databases. Built a full-stack, security-focused Online Voting System using JWT authentication, OTP verification, and cryptographic vote encryption. Seeking an entry-level Full Stack Developer / Python Developer role in Bengaluru.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML, CSS
Frameworks & Libraries: React.js, Flask, React Router DOM, Axios
Backend & APIs: REST API Design, JWT Authentication, OTP Verification, CRUD Operations
Database: SQLite, DBMS Fundamentals
Concepts & Tools: OOP, Data Structures & Algorithms, SDLC, Git, GitHub, API Integration

PROJECTS

- Online Voting System with Security** *React.js · Flask · Python · SQLite | 2025 – 2026*
- Built a secure full-stack voting platform with dedicated Admin, Candidate, and Voter modules, using React.js on the frontend and Flask REST APIs on the backend.
 - Implemented JWT-based authentication, OTP verification, and duplicate-vote prevention to secure the authentication and voting workflow.
 - Applied cryptographic techniques to encrypt votes for confidentiality, and integrated the frontend and backend via Axios and React Router DOM for real-time result generation.
- IoT-Based Humidity and Temperature Monitoring System** *Arduino · NodeMCU ESP8266 · Blynk | 2024*
- Integrated a DHT11 sensor with Arduino UNO and NodeMCU ESP8266 to collect and transmit environmental data over Wi-Fi, with a real-time dashboard in the Blynk app for remote monitoring.

PUBLICATIONS

"AI-Enabled Smart Cities: A Review of Digital Infrastructure for Sustainable Urban Development"
Research paper presented at MRICS-1 2026, International Conference on "Leveraging AI to Advance Sustainable Development Goals," organised by Wolverhampton Bengaluru Centre for Research & Innovation with the University of Wolverhampton, UK · Aug 2026

EDUCATION

M.Sc. Computer Science — Dr. Mohan Singh Bengaluru City University · 2024 – 2026 (Expected)
B.Sc. Mathematics & Computer Science — Maharani Cluster University, Bengaluru · CGPA 8.84 · 2021 – 2024

CERTIFICATIONS

Volunteer Program Certificate — "Atoms in the Service of the Nation," VITM Bengaluru (IGCAR, DAE) · May 2026
Workshop Certificate — "AI Tools for Research and Publication," MRICS Conference · Jul 2026

LANGUAGES

Kannada (Native), English (Professional)
